

Center Director Input on Regional Support Team, Center Collaboration Meetings, and Center Directors Meetings – June 9, 2016

Purpose of **Regional Support Team**:

- To provide differentiated support to develop and maintain sustainable data-informed systems that enable delivery of high-quality services outline in contracts, performance standards and other relevant regulations.
- The work is in partnership with Center Directors and includes capacity-building primarily at the system level, and also includes work at the site, classroom, and individual levels.

CONSIDERING THE PURPOSE:

What has gone well this year?	What have been the challenges this year?	What should we prioritize to improve/do differently next year?

Purpose of **Center Collaboration Meetings**:

- To partner with one another to build the Center’s capacity to implement high-quality services for optimal child and family outcomes.

CONSIDERING THE PURPOSE:

What has gone well this year?	What have been the challenges this year?	What should we prioritize to improve/do differently next year?

Purpose of Center Director Meetings:

- Engage Center Directors to provide input and feedback about planning and decision-making
- Share information
- Support professional learning and build capacity

CONSIDERING THE PURPOSE:

What has gone well this year?	What have been the challenges this year?	How does/doesn't the CD Meeting structure meet the purpose?	If you could design an ideal Center Director meeting structure or approach, what would it include?
