Reminders and Highlights

1. **Bring your own laptop or wireless device**
2. **You should have received an email from your PLC facilitator regarding your Action Research Items**
3. **Instructional Leadership Group:** This monthly Learning Lab is a new group for sub-contractor based TOSAs, Instructional coaches, Center Assistants, (or whatever their title may be) that provide direct support to teaching staff about classroom instruction. Participants will receive a Mentoring Matters book and plan together how the group develops as a Community of Practice. Let Krissy Soltman (ksoltman@psed.org or 425-917-7851) know if you have any questions or want to add a staff member's name to the list.
