# HS 104 Re-competition Update

- **Funding Opportunity Announcement (FOA) was released October 26<sup>th</sup>; Due December 28<sup>th</sup>, 2015**
  - Current \$20.2 M grant ends on 6/30/15
- **Proposed plan results in significant changes to meet our HS/EHS goals:**
  - Continued access to HS/EHS in all regions of service area
  - Increase access to EHS & Full Day models
  - EHS slots nearly 20% of total; >50% of HS are FD models
  - Increased dosage for PD (to 180+ days a year) offers 40% more instruction hours than old PD

# Decision Making Process

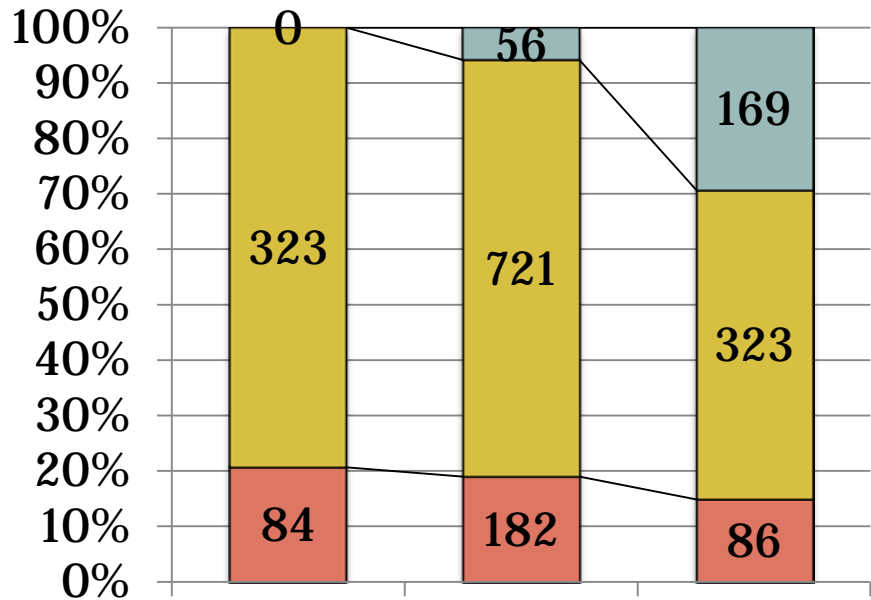

- Kept a regional perspective
- Honored subcontractor expressed requests and capacity
- Balanced cost of models with the least reduction of overall slots
- Focused on high need/high risk areas and saturation studies

# Current=1944 total slots; Proposed=1718 total slots

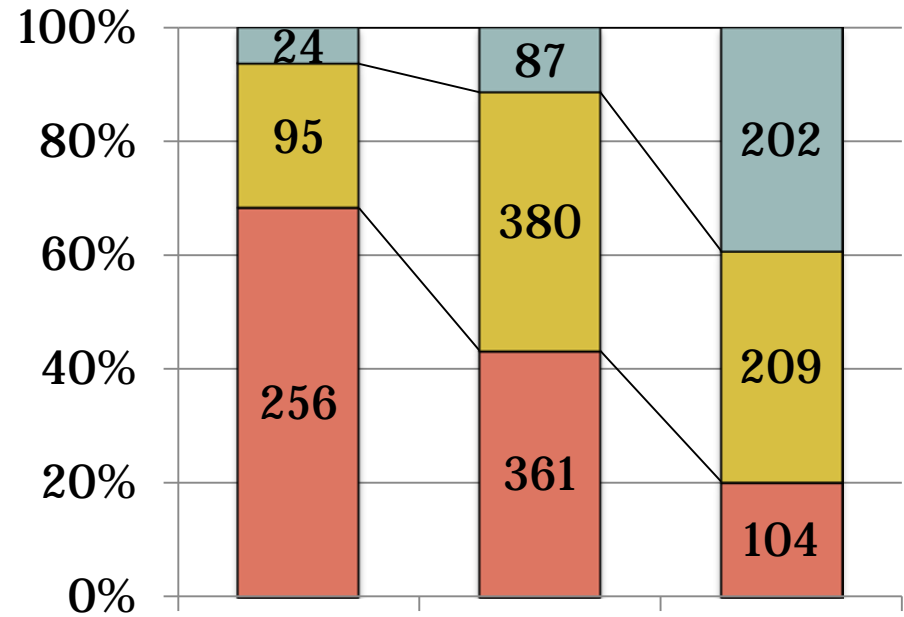

## Current Grant

NE King      South King      Pierce

■ Full Day Slots    ■ Part Day Slots  
■ EHS Slots

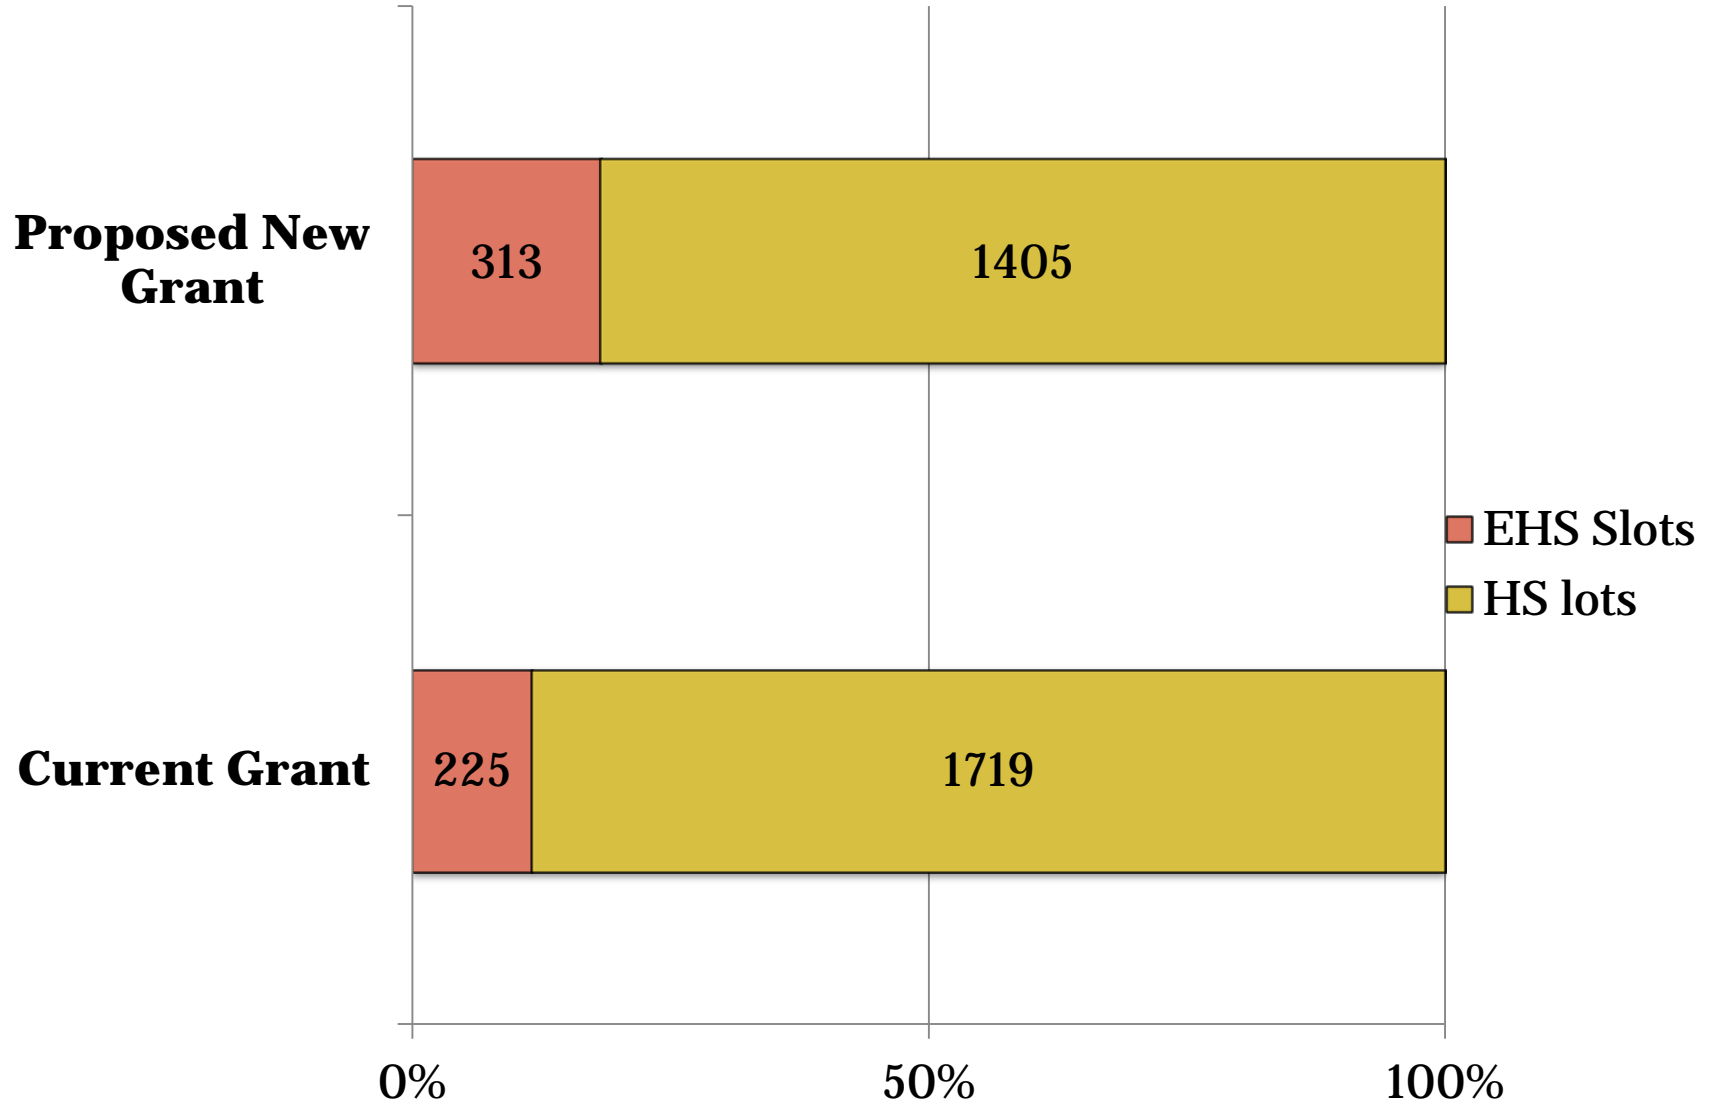

## Proposed New Grant
