

**TERM: HIGH QUALITY SERVICES**

**Adding to input from Change Management Team (CMT as of Dec 2017 – Kay Lancaster, Talena Dixon, Nubia Lopez) and Early Learning Evaluation Advisory Group (ELEAG – includes parents, PSESD staff, and Center Directors/site staff)**

- What do you agree with? (Mark with \*\*)
- What do you need more information or clarification about? (Mark with ? ?)
- Add new ideas from your post-it notes

<b><u>Why is a focus on <u>high quality</u> services is important?</u></b>	<b>What do <u>high quality services</u> <u>look/feel like</u> for sites and children/families?</b>
<ul style="list-style-type: none"><li>• Being adaptive, flexible, and nimble to meet changing needs</li><li>• Space for individualized and communal approaches to planning</li><li>• Collaboration/team work (sites, parents, PSESD)</li><li>• Engage parents, sites, PSESD in developing a definition of high quality</li><li>• Quality training, resources, and support to staff/sites specific to their role</li><li>• Accountability to all</li><li>• Parents feel like they matter/feel valued – if parents aren't valued then how can they trust their children will be?</li></ul>	<p><b>Sites:</b> Partnership with ESD, families. School district streamline process especially for DLL children, students of color, and students with IEP, IFSP, 504 Plan.</p> <p><b>Children/families:</b> Teachers are intentionally working with families and students in a non-judgmental way</p> <p><b>Both:</b> Individualized support for staff, students, and families depending on their needs</p>
