## Updates:

### Complete Survey – Professional Learning Plan

We will spend concentrated time on Professional Learning Plans during our October CD Meeting. Please complete the gold paper survey on your table so that we have information needed to plan for October. If you have questions, please see Cheryl Habgood during the Q & A time.

### Change – HS Criminal Record Checks

We received notice from OHS that the change in criminal record checks has been extended into 2019. Please ignore the email sent by Kristyl Riddle earlier this week.

**Pick up – Creative Curriculum Kits**

If you have a new ECEAP classroom, please see Juan Carlos to pick up your new Creative Curriculum Kit(s) today.

**Sign – ECEAP DCYF Exemption Letter**

Please complete the Exemption Letter that's in your folder per the instructions and return in the in-box at the meeting today. If you have questions, please see Kristyl or Talena.

**Schedule – Creative Curriculum Training Dates**

We have arranged Creative Curriculum training dates (preschool 10/24 & 10/31, infant/toddler 10/26 & 11/2) with Teaching Strategies Gold. Please check out the details for your teaching staff in the [Training and Meeting Calendar](#). If you have questions, please connect with your Education Coach.

**Complete – Coaching Survey**

A Coaching Survey will come out next week to access each site readiness for formal coaching. If you have questions, please see your Ed Coach or Decca.

**Pick up – HS/EHS Non-Federal Share Packets**

During the Q & A session today, please stop by and pick up a NFS packet from Linda Donley. If you have questions about NFS, please utilize Linda's expertise.

**New Rate – Temporary Classroom Assistants (TCA)**

The TCA rate has been raised to \$18.75 per hour based on average pay rates in this region. Questions, please see Linda Donley during the Q & A session.

**Coming Soon – Site Team and Other Supports**

The new Site Teams Directory will be released very soon. We have had some fluctuations, so we've held off a little longer than originally planned. We're also working on a directory for all other supports that will be following soon after the Site Teams Directory.

**Mobility Mentoring –**

As a reminder, *all ECEAP FSS* must attend the training on Oct. 2 or Oct. 8.

All staff must register for the training as well.

There are no make-up dates scheduled for this training at this point.

**Ready Rosie –**

All FSS will receive information and training on Ready Rosie at the FS/HN Training on either Oct. 17 or Oct. 25.

Sites will then be able to decide on the level of engagement each site would like to implement this year.

All Head Start & Early Head Start-Center based sites will be required to implement Ready Rosie this year.

ECEAP and EHS-HB sites will have the option in implementing Ready Rosie.

**ERSEA Eligibility –**

Please ensure that *all* new FSS receive Eligibility training from a *PSESD* staff before beginning to process applications.

PSESD will be developing Eligibility Training opportunities throughout the year. More information to come!

**Clarification – Site School Readiness Goals 2017-18 Final Report**

In the September Connector To Do list, it said that this report is due by September 28. If you've already completed a report, thank you! If not, please hold off and we'll provide further clarity in the October Connector. If you have any questions at this point, please connect with Kay, Nelly, or Decca.
