

Parent Opportunities

For All ECEAP, Head Start and Early Head Start Parents

HEALTH

Q: Who's the expert on your child's health?

A: You are! Peer Health Educators share information designed to help parents understand the importance of health and how easy it is to partner with your family's health care providers.

LITERACY

Q: What makes a child successful?

A: The ability to read! Peer Literacy Educators share information designed to help parents understand the importance of language and reading and how easy it is to support every child's success in school and in life through language activities that can be used anytime and anywhere.

- ★ **YOU** can make the difference
- ★ It can make the difference in your life today and the lives of others tomorrow
- ★ It's fun! It's empowering!
- ★ Why wait?? Learning can be fun!
