

Running Report 3330: Immunization Status Statistics

1) Select **Reports**

The screenshot shows the ChildPlus.net interface. At the top, there is a navigation bar with the following items: ChildPlus.net, Agency= PugetSound/AppEntry, Services, Status Center, Entry Express, Reports, Setup, and Enter Report #. An arrow points from the text '1) Select Reports' to the Reports menu item. Below the navigation bar is a search bar with a magnifying glass icon and a dropdown arrow. Below the search bar is a table of participants. The table has two columns: Name and Date. The participants listed are: Kardashian, Kim (4/06/11), Kardashian, Kourtney (3/22/11), Lovegood, Luna (1/01/12), One, Thing (11/07/10), Patil, Padma (1/01/12), Potter, Harry (5/29/12), Potter, James D. A callout box with a black border and white background is positioned to the right of the 'Enter Report #' dropdown, containing the text: 'If you know the number of the report you are running, you can enter it here and hit "Enter"'. Below the table, there is a large grey button with a left-pointing arrow and the text 'Select a Participant'.

2) Select a Report

3) Select Health

4) Click on 3330 – Immunization Status Statistics

The screenshot shows the ChildPlus.net interface. At the top, the navigation bar includes 'ChildPlus.net', 'Agency= PugetSound/AppEntry', and tabs for 'Services', 'Status Center', 'Entry Express', 'Reports', and 'Setup'. A search box labeled 'Enter Report #' is on the right. Below the navigation bar, a 'Select a Report' dropdown menu is open, displaying a list of categories. The 'Health' category is selected and highlighted. To the right of the categories, a list of 'Health Reports' is displayed, with '3330 - Immunization Status Statistics' highlighted. Three arrows point from the text labels above to the 'Reports' tab, the 'Health' category, and the '3330 - Immunization Status Statistics' report item.

This custom filter will eliminate any children that never actually attended. We do not have to track or collect data about those children. Remember that once you select a Custom Filter, ChildPlus will remember that you used that filter. The next time you go to run that report your previous Custom Filter will automatically be selected. Clear Selection as the bottom left of the screen will remove any filters selected.

Complete = Immunizations are complete for the whole program year

Up to date = Immunizations were up to date when assessed, but child may need other immunizations during program year

Overdue = Child is overdue for one or more immunization(s)

Exception Waiver = PSESD does not code for this, so you should not see numbers for this category in ChildPlus

Not Marked = Immunization information has not been received, or has been received but not assessed/coded (see red text below)

Exempt = child has not been fully immunized for any medical, religious, philosophical, personal, or other reason

Refer to "At End of Enrollment" for current immunization status (vs. status at enrollment)

Note: To see documentation that has been received and attached by PSESD but not yet entered, run the Participant Attachment Listing (Report #2132). If documentation has been attached but entered into data fields, it will not be reflected in the 3320 report.
