

ELMS Developmental Screen Report

1) Click **Reports Tab**

2) Select **Developmental Screening** report

The screenshot shows a web browser window with the URL <https://apps.del.wa.gov/ELMS/Reports/ReportList.aspx?DEL>. The page title is "ELMS". A navigation menu at the top includes "News", "Child", "Locations & Classes", "Staff", "Monthly Report", "Admin", and "Reports". The "Reports" tab is selected, and a sub-menu shows "Reports Listing" and "View Report".

Below the navigation, the "Reports Listing" section is displayed. It includes a sub-header "Click on report titles to enter parameters and run reports." and a list of report categories:

- All Reports** (selected)
- Child
- Health
- Locations
- Monitoring

The main content area lists several report categories, each with a brief description:

- Child Demographics**: Characteristics of children and families enrolled in ECEAP.
- Child Record Summary**: Enrollment, health, child development and family information for an individual child.
- Class List**: Lists Class names and characteristics.
- Class Roster**: Lists child names, birthdate, first language, parent name and contact information, with space for staff to add notes.
- Class Summary**: Shows information entered on the Class pages of ELMS for one class, or compiled for a site, contractor or (for DEL staff) statewide.
- Contractor List**: Lists Contractor names and characteristics.
- Developmental Screening**: Children's development screening dates and results. (An arrow points to this category from the instruction above.)
- Directors Roster**: List of ECEAP contractors, funded ECEAP slots, directors, contact information and counties served.
- Enrollment by Child**: Lists children with their age, poverty level, IEP status, priority points and first and last days attending class. This report includes children who have started class and children with an expected start date in the future. The "As of" date version of this report includes children with a pending exit or with an exit on the "As Of" date. The "Cumulative" version of this report includes all children who exited during the reporting period. Children who never attend class are subtracted from this report upon exit or transfer.
- Enrollment Count**: Count of enrolled children, with age, IEP and over income status.

3) Select Year and “Display Data By” Site

The screenshot shows a web browser window with the URL <https://apps.del.wa.gov/ELMS/Reports/ReportList.aspx?g=All+Reports&r=Developmental+Screening&ReportUrl=%2FELMS%2FReports%2FDefinitions%2FDevelopmentalScreening.rdl>. The page title is "Child Demographics" and the subtitle is "Characteristics of children and families enrolled in ECEAP".

The page contains several sections:

- Child Record Summary**: Enrollment, health, child development and family information for an individual child.
- Class List**: Lists Class names and characteristics.
- Class Roster**: Lists child names, birthdate, first language, parent name and contact information, with space for staff to add notes.
- Class Summary**: Shows information entered on the Class pages of ELMS for one class, or compiled for a site, contractor or (for DEL staff) statewide.
- Contractor List**: Lists Contractor names and characteristics.
- Developmental Screening**: Children's development screening dates and results.
- Directors Roster**: List of ECEAP contractors, funded ECEAP slots, directors, contact information and counties served.
- Enrollment by Child**: Lists children with their age, poverty level, IEP status, priority points and first and last days attending class.

The "Developmental Screening" section is expanded to show the "Report Parameters for Developmental Screening Report" form. The form includes:

- School Year**: A dropdown menu set to "2014-2015".
- Display Data By**: A dropdown menu with "Site" selected. Other options are "Contractor" and "Class".
- As Of**: A date field set to "02/12/2015".
- Cumulative Enrollment**: Two radio buttons: "Cumulative Enrollment (for school year)" (selected) and "Cumulative Enrollment (Specify Date Range)".
- From** and **To**: Date fields for specifying a date range.
- Run Report**: A button to generate the report.

Two black arrows point from the text "3) Select Year and 'Display Data By' Site" to the "School Year" dropdown and the "Display Data By" dropdown menu.

4) Select "As of" Today's Date to see all screenings entered to date

5) Select Site Name from dropdown list

The screenshot shows a web browser window displaying the ELMS (Early Learning Management System) interface. The browser's address bar shows the URL: <https://apps.del.wa.gov/ELMS/Report/ReportList.aspx?g=All+Reports&r=Developmental+Screening&ReportUrl=%2fELMS%2fReports%2fDefinitions%2fDevelopmentalScreening.rdl>. The page title is "Contractor List" and the subtitle is "Lists Contractor names and characteristics." Below this, there is a section titled "Developmental Screening" with the subtitle "Children's development screening dates and results." The main content area is titled "Report Parameters for Developmental Screening Report" and includes several fields: "School Year" (2014-2015), "Display Data By" (Site), "As Of" (02/12/2015), "Contractor" (ESD 121 - Puget Sound ESD), "Subcontractor", and "Site Name". A dropdown menu is open for the "Site Name" field, showing a list of sites including "ARDMORE CHILDCARE", "Auburn Alpac Elementary", "Auburn Chinook Elementary", "Auburn Main Site", "Auburn Terminal Park Elementary", "Bates Campus ECEAP Downtown", "Bates Campus ECEAP South", "Bates Eastside ECEAP", "Bates Fife/Milton ECEAP @ Mission Woods Church", and "Bates Puvallun ECFAP@First Presbyterian Church". Two arrows point to the "As Of" field and the "Site Name" dropdown menu. Below the "Developmental Screening" section, there are other sections: "Directors Roster", "Enrollment by Child", "Enrollment Count", and "Enrollment Maintenance".

6) Report shows child-level records with **screening date**, **whether screening is overdue** (highlighted in red), and **results**
