What to Look for:

- No or Few Conferences/Visit Minutes
 - Make sure child does not have an Exit date (Last Day in Class)
- Unreasonably high Conferences/Visit Minutes
 - Look at Individual Child records to see that what was recorded meets the ECEAP Program Performance Standards.
- For the 2015-16 School Year:
 - 180 minutes required for Parent-Teacher Conferences per child per year.
 - Three 30-minute visits required for Family Support Visits per child per year. (The enrollment visit does not count toward this time)
