## **ADVOCACY DAY IS FEBRUARY 8!**

Things are moving quickly in the legislature this year and we need our parent voices to be heard – that means we need your help!

**Registration closes Friday, February 2.** Have you registered your parents? It does not look like you have !

If you plan to attend (and we hope you do), we need you to register, too!

### **[Register Here](#)**

Key details to remember:

WEAR RED!

Training starts at 10:00 at the Red Lion Hotel in Olympia. We'll move to the capitol about noon and we'll rally on the steps first this year at 2:15 and then head home by 3:00. A boxed lunch is provided.

Families receive a \$50 leadership reimbursement if they ride a charter bus. If they drive themselves, we reimburse the \$50 but NO mileage. Checks will be mailed no later than the week of February 26th.

Parents can participate regardless of immigration or citizenship status

Interpreters are provided on the bus and during legislative appointments

Children are not legally able to ride a charter bus. They are welcome at the training and legislative meetings, but remember this is a long, busy day for small children.

If you have any questions at all, please contact Lori Pittman - [lpittman@psesd.org](mailto:lpittman@psesd.org). See you at Advocacy Day!
