ATTENTION Needed: Center Directors, Family Support Staff, Home Visitors and Managers

We urgently need all audiometers and OAE's to be returned to the Puget Sound ESD Renton office, **no later than this Friday, June 8th**.

Calibration of the equipment will begin first thing Monday morning—so we appreciate your help in getting the equipment to us.

Please note: We only calibrate equipment one time per year; if your equipment is not calibrated, it cannot be used for screenings in the upcoming year.

Thank you to all of those staff who have already turned in equipment.

If you have any questions or concerns, please contact your Health/Nutrition/Safety Coach.

Thank you so much,
Cheryl
