**Hello PSESD ECEAP and HS Subcontractors,**

**DEL REQUEST – ECEAP EXPANSION INTEREST**

In anticipation of releasing the next Request for Application (RFA) for ECEAP Expansion, DEL is seeking information from current ECEAP contractors about how they are planning **for 2018-19 ECEAP expansion**. As subcontractors of PSESD, need your responses by **close of business Thursday, November 16**. We recognize that this is a short turn-around time, and **we want to assure you that your response is not a commitment to take new slots**. It is a way for DEL and PSESD to understand your capacity and your interest. *PSESD is also considering our capacity to support new subcontractor slots and will be connecting with subcontractors in the near future to discuss your interest in new slots.*

**DETAILS, EXPECTATIONS, FUNDING**

As you think about your interest in taking new slots, please make sure you understand the chart below. Be sure to consider the amount you would receive per child. Unfortunately, this amount is not negotiable so you must be able to operate within this given amount. If you've been implementing federal programs only, please note that there is **no** non-federal share/in-kind requirement for ECEAP; however, due to the rate per child, it is rare that ECEAP subcontractors operate with no in-kind contributions.

<b>Full School Day</b> <i>(600 slots available state wide)</i>	<ul style="list-style-type: none"> <li>- 5.5-6.5 hours day, 1000 hours year</li> <li>- P/T Conferences <b>do</b> count as contact hours</li> <li>- Child Care Centers: You may apply for FSD slots and collect subsidy for the hours outside of ECEAP</li> <li>- You may have up to 20 children per classroom (35 sqft per <b>person</b>)</li> <li>- There will be limited start-up funds available for new classroom spaces</li> <li>- Start dates are no later than September 30 and all slots must be filled within 30 days</li> </ul>	\$8,134 (subsidy included in rate)	\$7,808 (subsidy included in rate)
<b>Extended Day</b> <i>(50 slots available state wide)</i>	<ul style="list-style-type: none"> <li>- 10 hours per day, full year</li> <li>- Child Care Centers: Subsidy dollars are blended into the ECEAP rate per child, so no subsidy can be collected.</li> <li>- You may have up to 20 children per classroom (35 sqft per <b>person</b>)</li> <li>- There will be limited start-up funds available for new classroom spaces</li> <li>- Start dates are no later than July and all slots must be filled within 30 days</li> </ul>	\$11,358 (subsidy included in rate)	\$10,918 (subsidy included in rate)

**SURVEY**

If you are not interested in ECEAP slots, it is not necessary for you to complete the survey. We understand that these may not be firm numbers, just do your best to share your interest. Please complete **one survey per subcontractor** by close of business on **Thursday, November, 16.**
