E-ALERT – E-ALERT – E-ALERT

Hello Family Support Staff and Center Leaders,

ERSEA Re-Design Update

In the next few days, you'll receive an additional E-Alert to register for an ERSEA Re-Design Training. We originally planned to train everyone the last week of February; however, in our collaborative work with DEL, we learned that they are making some changes to the DEL/ECEAP 2018-19 Application. This caused us to pause and wait to hear back from them, and now we're busy adapting our PSESD Application and processes in response the changes.

Training Dates

We have scheduled training dates the first week of March. The trainings will be 3 hours long, and will be limited to 30 Family Support staff at a time. The trainings will be required in order to enroll families.

Questions

If you have questions, please connect with your assigned Family Engagement Coach.

Thank you for your patience,

ERSEA Re-Design Team
