E-ALERT

Jan 4 & 11 FS/HN Meeting Cancelled

Attention: All Center Directors, Family Support Staff

Hello Family Support staff and Center Leaders,

ERSEA Re-Design Update

We are excited to give you a short update on the ERSEA Re-Design! First, thank you to huge number of you who participated in the survey. Your input about the problems, solution, and impact was invaluable and has provided us with just what we need to move forward in the re-design process. We will send out a summary of the survey input in January, and will also outline our next steps. For those of you who completed the survey and emailed Venissia (Vbuyco@psed.org), we will be giving you a thank you gift that you will be able to use in your work. If you forgot to email Venissia, please do that now.

January 4 and 11 Meetings

We will be cancelling the previously scheduled January meetings in order to train on the new ERSEA processes in February and March – stay tuned for dates. Health, nutrition and safety information that is typically included in regular meetings will be provided electronically, and follow-up can occur with your Health/Nutrition/Safety Coaches and Consultants.

Questions about ERSEA Re-Design

Thank you!

It has been a very busy fall, and we want you to know that we recognize how hard you have worked on behalf of what's best for children and families! We hope that you will all be able to rest over the next few weeks and enjoy time with family and friends.

With great appreciation,

Talena Dixon – Director, ECEAP and Early Learning Program Operations
