UPCOMING SOLAR ECLIPSE: Monday, August 21, 2017

Due to the nature of this event and for the safety of all children, please plan to keep children indoors during the solar eclipse on Monday. Many questions have been coming to us asking what to do—so here is some guidance:

- **Keep all children indoors** during the hours of the eclipse. Remember that it is not a single moment event—it will last almost 3 hours Monday morning. (Approximate time will be 9:00 AM-11:45 AM)
- Do NOT use the glasses for any children. The special solar eclipse glasses are not made to fit children.
- Instead—think about how you might talk to children about the event and share pictures with them of what’s happening outside. Here is a helpful NASA link:
 - <https://eclipse.gsfc.nasa.gov/SEhelp/safety2.html>
- Talk to Families: Share what you will be doing and how they can address safety for their children
- If you have questions, please contact your Team Manager or Health/Nutrition/Safety Coach.

THANK YOU!

Cheryl Polasek, RD, CD I Program Manager-Health, Nutrition & Safety
