E-ALERT – E-ALERT – E-ALERT

Hello GOLD users,

This email below is from Teaching Strategies that went out to TS GOLD users on August 9. This is critical for you to read and *keep handy* for future reference. TS GOLD has been re-designed and renamed MyTeachingStrategies. This message from Teaching Strategies will help you understand the changes.

If you had a GOLDPlus account last year, you will continue to have all of the features (and a few more) that were supported through GOLDplus. Non-GOLDplus users will now have some digital planning features as well.
