% Attendance is the ADA divided by the Funded Enrollment Count. ADA = Sum of **Present statuses** divided by the Operating Days for that classroom. Funded Enrollment Count is the number of contracted slots for the classroom. If a class is under- or over-enrolled, the % Attendance will be low / high (even over 100%) as a result.

% de Asistencia es la ADA dividido por la suma inscripción subvencionada. ADA es la suma de los estatus que cuentan como Presente ("P" / Presente y "N" / No programado) dividido por los Días de Operación para ese salón de clase. La suma de inscripción subvencionada es el número de espacios contratados para ese salón de clase. Si un salón esta sobre- o bajo-inscrito, el % de Asistencia estará baja/alta (puede ser más de 100%) como resultado.
