WHAT WE TALKED ABOUT	HOW TO APPLY IT
Presentation: Supporting Children through Classroom Transitions	
<p>We discussed how to:</p> <ul style="list-style-type: none">Build a predictable classroom schedule.Teach the expectations before each transition.Give children a consistent warning before transitions begin.Give children choices during a transition.Make a staffing plan for classroom transitions.	<p>Take a look at your classroom schedule and ask yourself:</p> <ul style="list-style-type: none">Can I eliminate any unnecessary transitions?Can I lessen the amount of time children spend in transitions?Have I made my transition expectations clear for children and staff?Have I carved out time in my week to find helpful resources?
