

Child Enrollment Information – Infant-Toddler

Purpose

This form is used during the enrollment visit (center-based/CCP models) to guide your conversation and capture valuable information that the family shares about their child. This form is completed by the teacher.

Child’s Name: _____ Date: _____

Parent’s Name(s): _____

Staff Name(s): _____

Consider the following questions to guide the conversation:

- How does your infant/toddler let you know when they need or want something?

- How do you comfort your infant/toddler when he or she is upset? Do they have a special comfort item (such as a blanket, toy or pacifier)?

- If your infant/toddler uses a pacifier, what type?

- How do you help your infant/toddler to prepare for sleep?

Child Enrollment Information – Infant-Toddler

- What do you enjoy most about your infant/toddler? What do you and your infant/toddler enjoy doing together?

- What do you find most challenging about your infant/toddler?

- Have you left your infant/toddler in the care of others? If so, how easily did your infant/toddler separate from you?

- What are you hoping you and your infant/toddler will gain from this program?
