

# Family Engagement Survey

Below is a list of ways you and your family may participate in our early learning program. Please put a check mark next to each activity in which you are, or would like to be involved.

Your Name: \_\_\_\_\_ Child's Name: \_\_\_\_\_ Date: \_\_\_\_\_

| ✓                         | At Home  | Date of Follow-Up with Parents |
|---------------------------|--|--------------------------------|
|                           | 1. Have my child ready to go to school every day.                                    |                                |
|                           | 2. Call school if my child will be absent or late.                                   |                                |
|                           | 3. Encourage my child's learning goals.  |                                |
|                           | 4. Read to my child.   |                                |
|                           | 5. Tell other people about PSESD Early Learning program.                             |                                |
|                           | 6. Help prepare classroom materials at home.   |                                |
|                           | 7. Tell staff about resources in my community.                                       |                                |
|                           | 8. Other:  |                                |
| <b>At School</b>          |  |                                |
|                           | 9. Visit the classroom.  |                                |
|                           | 10. Help the teaching staff.   |                                |
|                           | 11. Share my talents/interests (music, cooking, computer, etc.).<br>Talent/Interest: |                                |
|                           | 12. Share our family's culture and traditions.<br>Culture/Traditions.                |                                |
|                           | 13. Help with reading activities.  |                                |
|                           | 14. Volunteer in the classroom.  |                                |
|                           | 15. Self-assessment (serve on a team to help improve the program).                   |                                |
|                           | 16. Other:   |                                |
| <b>With Other Parents</b> |  |                                |
|                           | 17. Plan activities for my site's families.  |                                |
|                           | 18. Decide what happens at our parent meetings.                                      |                                |
|                           | 19. Share about community resources and services I have used.                        |                                |
|                           | 20. Tell staff about resources in my community.                                      |                                |
|                           | 21. Call other parents and keep them informed of what is happening.                  |                                |
|                           | 22. Be a member of the parent committee.   |                                |
|                           | 23. Tell other people about PSESD Early Learning Program.                            |                                |
|                           | 24. Represent my program on the Parent Policy Council.                               |                                |
|                           | 25. Other:   |                                |
