

Daily Attendance and Meal Count Procedure - ECEAP

Purpose

This document explains how to accurately record attendance and meal count on the *Daily Attendance and Meal Count Report - ECEAP* for the PSESD Early Learning ECEAP program.

Research shows children benefit most from preschool programs when they attend regularly. Therefore Site/Center staff will:

- Document attendance and meals/snacks daily on the *Daily Attendance and Meal Count Report - ECEAP*. (**Note:** Meal count on this form is only required for meals that PSESD claims.)
- Code, document the reason for absence, and address attendance concerns and chronic absenteeism.
- Follow up daily on all unreported/unknown absences.
- Review and use the [ERSEA Procedure](#) to support families who are experiencing barriers to regular attendance.
- Contact your Family Engagement Coach when absences continue after offering ongoing family support to address barriers.
- Families will not be withdrawn without prior approval from PSESD (see [ERSEA Procedure](#)).
- Complete the online training at <http://classes.earlylearningwa.org> for required learning.
- The Attendance/Meal Count report can be used as an active supervision tool. If sites do not have a system for tracking which children are present for easy reference, the attendance worksheet should be used for this purpose. Keep it stored on a clipboard by the exit so teaching staff can easily bring it coming and going to/from the classroom.
- This procedure will be followed during all field trips and other activities where a CACFP meal is served outside of the classroom.

Procedure

It is required that you take attendance at the table during each meal and snack. Please customize the form or request assistance from Colette Dutton (cdutton@psed.org). 7. **Assistant:** Fill in the Assistant Teacher name(s). **Update if changed.**
8. **Class:** Include your class ID#(i.e.: KV1, KV2). Contact Colette Dutton (cdutton@psed.org) or Sue Gettmann (sgettman@psed.org) if you do not know your class ID#.

11. **Print Attendance:** Once the children’s names are on the form and the meal abbreviations are in the shaded cells, print a blank sheet for taking handwritten attendance. See Exhibit A to view typewritten changes in Blue. Change the dates weekly before printing. Verify **ALL** children are listed and using their legal name (as it was entered in ELMS).

The steps below should be handwritten on your Attendance and Meal Count Report:
