

Conflict of Interest Policy

Policy No. 505

Every PSESD Early Learning funded program employee shall be subject to the Conflict of Interest Policy listed below.

Employees working for subcontracting agencies are governed by their agency's Conflict of Interest policy. If the employing agency has no such policy, the early learning employee will be subject to the provisions of the PSESD policy.

Employees shall not make contacts at the workplace for the purpose of promoting personal gain or contacts that would cause a conflict of interest with the employee's regular assignment.
