

Criminal Record Check Policy

Policy No. 510

Staff: All paid staff must complete a criminal record check in accordance with the [Criminal Record Check Procedure](#) prior to being allowed unsupervised access to children. This includes staff paid from PSESD Early Learning funding and staff working with children and families enrolled in PSESD Early Learning-funded programs, regardless of the funding their salary is paid from.

Volunteers: All unpaid staff who volunteer with the program on a weekly or more frequent basis must complete a criminal record check in accordance with the [Criminal Record Check Procedure](#) prior to working with children or families enrolled in PSESD Early Learning-funded programs. Volunteers are never to be allowed unsupervised access to children.

If a school district's or agency's policy is more stringent, it would supersede this policy.

Approved by Policy Council: July 25, 2017

Approved by Board of Directors: September 20, 2017
