

Hiring and Staff Qualifications Policy

Policy No. 520

Hiring for all PSESD Early Learning funded positions must follow policies and procedures of PSESD or the hiring agency, whichever is most stringent, in addition to Performance Standards and contract requirements.

At least one current PSESD Early Learning parent or Policy Council Representative must participate in the interview process when hiring permanent staff.

The PSESD Board and Policy Council must approve all PSESD and subcontractor staff hiring. PSESD Early Learning recommends that programs recruit and hire staff who reflect the population being served.

Policy Council Leadership will be notified of any terminations.

Approved by Policy Council: July 17, 2018
