

Program Planning Policy

Policy No. 140

Puget Sound ESD Early Learning Program implements a systematic, ongoing process of program planning that includes consultation with the agency’s Governing Board, Policy Council, Parent Committee(s), program staff, subcontractors, and other community organizations that serve Head Start, Early Head Start, and ECEAP or other low-income families with young children in accordance with the Head Start, Early Head Start, and ECEAP Program Performance Standards. Puget Sound ESD Early Learning’s program planning process shall include on-going assessment and evaluation, comprehensive goal-setting, and plans for continuous improvement as outlined in procedures.
