

Transportation Policy

Policy No. 230

Safety is the highest priority when transporting Early Learning children.

All transportation of Early Learning children is to be provided in accordance with applicable Federal and State laws, Performance Standards, and Office of the Superintendent of Public Instruction (OSPI) regulations.

In addition, transportation of Early Learning children must be provided in compliance with the PSESD Early Learning Safe Arrival and Departure Policy.

Centers that drive Early Learning children on a regular basis and are not part of OSPI Pupil Transportation Services must follow the Transportation Procedures available in the Early Learning Program Manual.
