E-Alert

Seminar Series and Professional Learning Needs

ATTENTION: All Early Learning Staff – **Seminar Series A** and **Seminar Series B** have been **cancelled**.

- We are still considering our capacity to present Seminar Series C and Seminar Series D, so please watch for communication about those optional trainings.
- We have noted the cancellation on the [Training and Meeting Calendar](#). If it still shows up when you connect online, please clear your browsing history to make sure you are viewing the most up to date version of the [Training and Meeting Calendar](#).

If your site has the need for professional learning on a particular topic, please connect with [Cheryl Habgood](#), or your [Team Manager](#) to discuss that possibility.

Questions about the cancellation of Seminar Series A and Seminar Series B can be directed to [Cheryl Habgood](#).

Thank you,

Cheryl Habgood, MA | Systems Manager, Professional Learning
