

EARLY LEARNING Policy Council Corner

What is Policy Council?

Policy Council is a group of parents who make important decisions about how the whole Puget Sound ESD (PSESD) Early Learning program operates. Each site elects parent representatives who join with administrative staff and the PSESD Board of Directors to make this a program that works well for all of the children and families served by PSESD.

In March, we...

Policy Council representatives are invited to participate in the hiring process for new Early Learning staff positions. Parents also heard an update on Peer Programs and were reminded that Peer Math and Peer Money training will begin in March

Elected Leadership Team member

A parent representative was elected to the ECEAP Co-Chair position by her peers to fill the vacant position on the Leadership Team

Learned about Early Learning Redesign Evaluation

Policy Council will heard a brief overview of the Early Learning Redesign Evaluation and were invited to volunteer to informally interview other parents at their sites and summarize in writing the main points of each interview
