

# Cycle of Assessment and Curriculum Using *MyTeachingStrategies* (MyTS) 2018-2019

○ **\*Observe and collect facts through observation and documentation. A minimum of four pieces of documentation per month per child for Preschool children. All children should have at least one piece of documentation in each of the following: Social/Emotional, Physical, Language, Cognitive, Literacy and Math. Per quarter (English Language Acquisition if applicable.)**

○ **\*\*Conferences/Home Visits can occur any time during the quarter to engage families in the assessment process.**

○ Individual School Readiness Goals are developed with families during conferences or home visits. Document in Family File.

○ **\*\*\*Teachers can use either the ISRG Summary Sheet or the Classroom Profile Report to summarize School Readiness Goals.**

○ Additional resources can be found at [www.earlylearningwa.org](http://www.earlylearningwa.org) and [www.teachingstrategies.com](http://www.teachingstrategies.com).

○ **\*\*\*\*Developmental screening and enrollment information from families are used in the individualizing and planning process.**
